## Dog Policy

A dog fee of \$15.00 is required for each pooch (maximum 2 per room).

Rooms for guests staying with dogs undergo special cleaning procedures including the use of specially filtered vacuums to remove pet allergens in preparation for subsequent guests.

Dogs must not be left unattended in the motel room.

They may be exercised on grassed areas beside room 14, but it is the guest's responsibility to clean up after their dogs.

Any disturbances, such as barking will not be tolerated at all.

Guests will be asked to leave the property and we won't provide a refund for your room.

Guests are responsible for all property damages and / or personal injuries resulting from their pet.

A valid credit card is required to make a booking with your pet, debit cards are not accepted. If paying with a debit card a \$150 pre-authorisation (on top of your room rate) will be processed on that card at check in. At check out (during office hours) the room will be inspected by reception staff and if satisfied, will be refunded back onto your supplied card.

Sorry no cash refunds.

Please ensure that these above conditions are followed. Any excessive cleaning required following your stay will incur an extra cleaning fee charged to your credit card.

Guests which take any kind of pets into our rooms without booking them in, will be evicted from our premises without a refund.

If the occupancy ends or is terminated, the guest must immediately vacate the premises.

Thank you very much for your cooperation.

If everybody just sticks to the rules in place, everybody can enjoy a stay at the Central Motel Gin Gin with their furry friends and family members!!!
